## VOLUNTEER/FUNDRAISING REQUIREMENTS

A Board of Directors runs the Northern Blades NSC FSC with many committees doing various duties; it is a non-profit, entirely volunteer club. The success of Northern Blades NSC FSC relies solely on the active and continuous support of its individual members and their families. The requirements for the 2022-23 skating season are as follows:

- Each Home Club family will be required to provide 10 hours of service/volunteer time to the club during the membership year (July 1st- June 30th). For families with more than 1 skater, the volunteer requirement will be an additional 5 hours per additional skater.
- In the event NBNSCFSC hosts an additional competition or event, all home club families will need to contribute additional 5 hours of service/volunteer hours to the club at or in preparation for the event. Members will be given notice of this requirement prior to the start of the Membership year in which the competition or event is scheduled to take place. These types of events and competitions help build the reputation of the club and typically provide additional revenue to the club.
- A \$250.00 for first member plus \$50 for each additional family member volunteer deposit is required from each Club Family to be cashed only if the family fails to fulfill the minimum required hours by June 30th, 2023.
- A family can elect to “opt out” of the service/volunteer time requirement by writing a check to NBNSCFSC for \$200.00 for first member plus \$50 for each additional family member. This check will be cashed immediately.
- A \$200.00 for first member plus \$50 for each additional family member fundraising requirement and deposit is required from each Club family. Deposit to be cashed only if the family fails to fulfill the fundraising requirements.
- Track It Forward is an online volunteer link that NBNSCFSC uses to manage volunteer hours and tasks. The deadline for submitting volunteer hours is June 30<sup>th</sup> each year. Each member family will be responsible for entering their hours worked on the Track it Forward website at <http://www.trackitforward.com/site/northern-blades-nsc-figure-skating-club>.
- Hours not completed and/or submitted before June 30th, 2023 will not be counted.
- No more than two board meetings per year may be counted towards volunteer hours. Junior Board members may count all Junior Board meetings towards volunteer hours.
- The volunteer deposit checks will be returned or destroyed upon full completion of the service/volunteer hours and fundraising requirements. If a family is short hours, up to 2, they can elect to pay for those hours instead of forfeiting the entire deposit check. Those missed hours will be charged at the rate of \$40 per hour missed.
- Each Home Club Family will be required to actively participate in at least 1 fundraiser throughout the year, and the Silent Auction in the spring.

- A family can elect to “opt out” of participating in the Club fundraisers by writing a check to NBNSCFSC for \$150.00 for first member plus \$50 for each additional family member. This check will be cashed immediately.
- The fundraising deposit checks will be returned or destroyed upon full completion of the fundraising requirements. If a family is short on their fundraising requirement, they may opt to pay the difference to the club as a donation.
- If a member decides to withdraw, change Clubs or in any way discontinue membership, ALL volunteer/fundraising requirements must still be met, NO EXCEPTIONS.

There are numerous opportunities to complete the required service/volunteer hours to the club. Our Club’s annual USFSA competition “Rising Stars” which takes place in the Fall, along with the “Frosty Blades” ISI competition hosted by the National Sports Center (typically in February each year) should provide ample volunteer opportunities for members for the season, along with other various events and activities, such as the Annual Silent Auction (which takes place during the NSC Spring Ice Show), attending Board meetings, our Annual Banquet, exhibitions, etc. In an attempt to distribute the volunteer time required for those major events (Rising Stars and Frosty Blades) equitably across families, we strongly encourage that everyone participate in these events even if you do not have a skater competing. Committees for various activities are also available for members to help with important tasks and earn volunteer hours!

#### **ADDITIONAL HOURS – ICE COUPONS**

For the 2022-2023 season, members who volunteer more than their required minimum requirements are awarded a virtual ice voucher which is good for up to \$10 on any random NSC ice session. For every 5 service/volunteer hours worked beyond the required family minimum, families will receive 1 ice voucher. Vouchers earned during the 2022-23 season will have an expiration date of one year from the time earned. Families are capped at 200 additional volunteer hours after meeting their requirement. Any hours volunteered above and beyond the capped amount will not earn coupons (this is so that the Club does not have to issue any 1099’s to members).

Any random ice purchased through the new online NSC procedure may be eligible for volunteer coupon reimbursement. Please save a copy of your receipts to be turned in to the treasurer [treasurer@northernblades.org](mailto:treasurer@northernblades.org) for reimbursement at the end of each contract. If you are unsure about your coupon status, please contact us.

Reimbursement will be calculated and sent out at the end of each NSC contract ice session (Fall, Winter, Spring etc..). If coupons are not used by the assigned expiration date they will be removed from the spreadsheet as “unused”.

#### **MEMBER IN GOOD STANDING**

Home Club members must be current on any invoices to remain a Member in Good Standing. All members in good standing are permitted to represent NBNSCFSC in competitions and be approved for USFSA testing sessions.

### **MEMBERSHIP DENIAL/SUSPENSION/EXPULSION**

The privilege of membership may be withdrawn or denied at any time when it is determined that a member's conduct is inconsistent with the mission of the organization or the best interest of the sport and those who participate.

### **SKATER CODE OF CONDUCT**

This Skater Code of Conduct has been established to ensure the safety of all members to ensure quality practice time for all home club, associate, non-members and guests who participate in club-related activities.

All Club members are expected to exhibit good sportsmanship and be courteous toward their fellow skaters, coaches, parents/guardians of skaters, U.S. Figure Skating officials and guests.

This only takes a moment and you will enjoy the same courtesy while you are performing your program.
4. Advanced skaters are expected to exhibit patience toward beginner members of the club. Remember, you were an inexperienced skater once, and it takes time for our future generation to advance to the point where they are completely comfortable skating with all levels of skaters.

### **PROFESSIONAL MEMBER CODE OF CONDUCT**

This information is intended to provide both the general principles and the decision rules to cover most situations encountered by coaches and instructors. It has, as its primary goal, the welfare and protection of the individuals and groups with whom coaches work.

It is the individual responsibility of each coach to aspire to the highest possible standards of conduct. Above all, coaches of young people can have great influence on developing athletes who are reliant on them for the basic instruction and guidance necessary to reach the top levels. Coaches can have tremendous power over these athletes in their quest to the top. This power must not be abused. Therefore, U.S. Figure Skating has set forth the following codes of ethics and conduct to guide our coaches and protect our athletes for the mutual benefit of all concerned.

#### **General Principles:**

Competence: Coaches must strive to maintain high standards of excellence in their work. They should recognize the boundaries of their competencies and the limitations of their expertise. They should provide only those services and use only those techniques for which they are qualified by education, training and/or experience. In those areas where recognized professional standards do not yet exist, coaches must exercise careful judgment and take appropriate precautions to protect the welfare of those with whom they work. They shall maintain knowledge of relevant scientific and professional information related to the services they render, and they must recognize the need for ongoing education. Coaches should make appropriate use of scientific, professional, technical and administrative resources.

Integrity: Coaches should seek to promote integrity in their coaching profession. Coaches should always be honest, fair and respectful of others. They must not make false, misleading or deceptive representations about their qualifications, services, products or fees. Coaches should strive to be aware of their own belief systems, values, needs and limitations and the effect of these on their work. To the most feasible extent, they should attempt to clarify for relevant parties the roles they

are performing and to function appropriately in accordance with those roles. Coaches must avoid conflicts of interest.

Professional Responsibility: Coaches must uphold professional standards of conduct, clarify their professional roles and obligations, accept appropriate responsibility for their behavior, and adapt their methods to the needs of different athletes. Coaches should consult with, refer to, or cooperate with other professionals and institutions to the extent needed to serve the best interest of their athletes or other recipients of their services. Coaches should be concerned about the ethical compliance of their colleagues' conduct. When appropriate, they should consult with their colleagues in order to prevent or avoid unethical conduct.

Respect for Participants and Dignity: Coaches shall respect the fundamental rights, dignity and worth of all participants. Coaches must be aware of cultural, individual and role differences, including those due to age, gender, race, ethnicity, national origin, religion, sexual orientation, disability, language and socioeconomic status. Coaches must eliminate the effect on their work of biases based on those factors, and they do not knowingly participate in or condone unfair discriminatory practices.

Concern for Others Welfare: In their actions, coaches must consider the welfare and rights of their athletes and other participants. When conflicts occur among coaches' obligations or concerns, they should attempt to resolve these conflicts and to perform their roles in a responsible fashion that avoids or minimizes harm. Coaches shall be sensitive to differences in power between themselves and others and should not exploit nor mislead other people during or after their relationship.

Responsible Coaching: Coaches must be aware of their ethical responsibility to the community and the society in which they work and live. Coaches must comply with the law and encourage the development of law and policies that serve the interest of sport or activity. The coach shall strive to serve as a leader and model in the development of appropriate conduct for the athlete both within and beyond the U.S. Figure Skating setting. The coach shall strive to use strategies in practice and competition that are designed to encourage play within the letter and spirit of the rules. The coach shall strive to keep the concepts of winning and losing in proper perspective. The coach shall strive to enforce policies and rules with fairness, consistency and an appreciation for individual differences.

**Ethical Standards:**

Compliance with Rule Requirements: All coaches must complete all annual coaching member requirements set forth by U.S. Figure Skating Rules and the PSA that apply to them by the appropriate deadlines.

Competence: Coaches should not undertake these duties until they have first obtained the proper training, study and advice so that they are competent to do so.

Maintaining Expertise: Coaches should maintain a level of expertise through continued education and experience and shall strive to acquire additional education and experience through sources available to them.

Respecting Others: Coaches shall respect the rights of other's values, opinions and beliefs even if they differ from their own.

Nondiscrimination: Coaches must not engage in discrimination based upon age, gender, race, ethnicity, national origin, religion, sexual orientation, disability, language, socioeconomic status or any other basis as protected by applicable law.

Misconduct: Coaches must not, under any circumstances, engage in any form of misconduct and will respond to complaints of such a nature to respondents with dignity and respect.

Personal Problems or Conflicts: Coaches should have a responsibility to be aware if there are personal problems or conflicts which may affect their ability to work with athletes. They should also be able to identify problems affecting their athletes, which could potentially create situations that place their athletes in harm or danger of injury and take the appropriate steps to remove the athlete from this environment.

Further, any person who makes groundless allegations or complaints of abuse or harassment may be subject to disciplinary action per Article XXV, Section 3B, of the U.S. Figure Skating bylaws.

**Coaches Code of Conduct:**

- Must obey and abide by all U.S. Figure Skating published rules, regulations, and procedures.
- Shall maintain exemplary standards of personal conduct.
- Must obey all state, national and international laws.
- May not be under the effects of alcohol, illegal drugs or any substance that can affect athlete safety and coaching judgment.
- Must refrain from using any profane or abusive language.
- Must not engage in any type of misconduct with any athlete.
- Must teach and support the athletes fairly and equitably.
- Must never discriminate against any athlete.

**SKATING COACHES**

The NBNSCFSC is proud to have excellent and experienced home club coaches. A list of home club coaches is available on the NBNSCFSC website. Please contact the coaches directly for further information about themselves. Coaches are a very influential person in your skater's life and the careful selection of a coach is very important.

After a coach is chosen, contact the coach and arrange for a meeting to discuss schedules, goals and policies. The coach will set up a lesson schedule acceptable to both parties. The coach will also assist in choosing appropriate equipment and select suitable music for the skater when necessary. Our professional skating coaches are all self-employed. Arrangements for lessons, schedule changes and coaching payments are made directly with the coach, not to the NBNSCFSC.

## **BOARD OF DIRECTORS**

NBNSCFSC is governed by a volunteer Board of Directors made up of 5-9 members. Board elections are held in May of each year, typically at the annual Banquet. The Board of Directors elects a president, vice-president, secretary and treasurer, and a fifth executive member, and appoints other chair positions/committees and responsibilities as needed. The board is responsible for setting policies and procedures and overseeing Club financial matters that ensure the smooth operation, and long term viability of the club, as well as representing the Club in matters concerning scheduling tests and hosting the Rising Stars competition. Any adult US Figure Skating member or parent of an NBNSCFSC member is welcome to run for a position on the board. Please speak directly to a current board member to express your interest. Feel free to contact any of the board members at any time with questions. All meeting minutes and board and financial reports are available upon request.

## **BOARD MEMBER AGREEMENT**

Board members of the club are fully committed and dedicated to the mission of the club and pledge to carry out its mission. They understand that their duties and responsibilities include the following:

1. That all decisions will be made in the best interest of the Club.
2. To be fiscally responsible for this organization. To make themselves aware and knowledgeable regarding the budget and finances and take an active part in reviewing, approving, and monitoring the budget and fundraising to meet the goals of the Club.

## **SANCTIONS**

When you are invited to skate in ANY exhibition that is not sponsored by your home club, you must take the following steps:

1. Question whether a skating event is properly sanctioned for U.S. Figure Skating members.
  - a. If the event is a show or exhibition that is being held by another U.S. Figure Skating club, then it is probably sanctioned. That host club should contact an officer in your club to confirm the sanction and formally ask for permission for you to skate. The host club may request a signed permission letter.
  - b. If the organization holding the event has never heard of U.S. Figure Skating nor has any idea what a sanction is, you should talk to your home club or U.S. Figure Skating headquarters to determine how to proceed.
  
2. If the event has not been properly sanctioned, you and your club need basic information about the event and the organizers.
  - a. Who is organizing the event and why? Get a full name, address and phone number of someone in authority for the event.
  - b. When and where is the event being held?
  - c. Is the event free to the public or is admission being charged?
  - d. What are the figure skaters expected to do as part of the event?
  - e. Are the figure skaters receiving any type of payment (including monetary equivalent of goods or services) to participate?

Additionally, you should:

- Obtain a current U.S. Figure Skating rulebook and become acquainted with the eligibility rules for skaters.
- Contact your club for a letter of permission to skate, if the event is being held by another club, and make certain it is provided to the club organizing the event.

USFSA requires that every skater or event receive a sanction prior to performing. If a sanction has not been granted, performing in the event may jeopardize the skater's amateur status. Contact the board of directors to have a sanction issued.

A skater must be a USFSA member and be a Member in Good Standing with USFSA in order to test.

A skater who would like to take a test must first complete a test application. Speak with your coach before doing this with any club.

No fees will be refunded if you withdraw (“scratch”) from the test after the deadline. Test fees include USFSA fees as well as the cost for hospitality, ice and award pins.

A NBNSCFSC club member may test at another club but a letter of permission to test must be obtained from the home club test chairperson 3 days prior to the test date. All test fees are paid to the host club according to their procedures. Members of other clubs may be included on our test sessions but priority is given to NBNSCFSC members first.
